

I jaspreet singh into risk protection and protection counseling would like to be place on record my sincere appreciation for “Puneet Sharma” og “AGV Alfab”

Thi sis what TYNOR director PG Singh with me Tere BNI member naal saada experience both vadiya raha “ AGV Alfab Walian ne Sohna kaam kita hai”!!

Earlier Puneet and his team being outstation for them, they ware little hesitant finalizing you then

Your team also won an award by them on their launch where you guys were specially invited!!

Now they say we want to have a discussion with a Delhi vendor perfectly before they finalize any new project

This perception is being formal because of utmost professionalize show by your AGV Team

Puneet you and your team look even my credibility with them to next level

I will be more than happy to refer to you further to any possible opportunity whenever.

Regards

Jaspreet singh
