

TESTIMONIAL

25.02.2018

I Jaspreet Singh into Risk protection and protection counselling would like to place on record my sincere appreciation for "Puneet sharma" of "AGV ALFAB".

This is What TYNOR Director P.J Singh Shared with me "Tere BNI Members Naal saada experience Bohat Vadiya Reha , "AGV ALFAB walian ne sohna kam kita hai"!!

Earlier as Puneet and his team being outstation for them, they were little hesitant in finalizing you then.

Your team also won an Award by them on their Launch where you guys were specially invited!!

Now they say we want to have a discussion with a Delhi vendor preferably before they finalize any new project.

This perception is being formed because of utmost professionalism shown by your AGV Team.

Puneet you and your team took even my credibility with them to next level.

I will be more than happy to refer to you further to any possible opportunities whenever.

Regards

Jaspreet singh
